LATM Travel Grant Proposals Due September 6

LATM TRAVEL GRANTS

The Louisiana Association of Teachers of Mathematics is awarding up to \$5000 in travel grants with ten (10) grants awarded for up to \$500 to offset the expense of attending the 2024 LATM Math Conference at the Crowne Plaza in Baton Rouge on October 21-22, 2024. The money can be used to cover conference registration, lodging, meals, parking, and/or travel not covered by other funding sources. Grant applicants will be notified of their status September 18, 2024.

The money will be awarded at the conclusion of the conference. Two types of grants are offered: attendees and presenters.

Applicants must be LATM members before applying. Join for FREE. Visit: <https://lamath.org/Membership.htm>

Submissions that do not meet the requirements or provide false information will be disqualified.

For the grant application visit: <http://lamath.org/travelgrants/>

Applications must be postmarked or received no later than 11:59p.m., September 6, 2024.

Send application packet to:
Beth Smith, 711 Comanche Trail, West Monroe, LA 71291 or
latmtravelgrants@gmail.com.

Questions may be emailed to Beth Smith at
latmtravelgrants@gmail.com.

QSM
QUALITY SCIENCE & MATH GRANT

INFO & ELIGIBILITY

QSM Grants should focus on implementing a specific project such as a lesson, unit, or module in the classroom and they must demonstrate how the project will enhance the quality of instruction provided to the students. Proposals are scored and ranked by a panel of reviewers.

- Grants up to \$1,000 for PK-2nd grade teachers, \$1,500 for 3rd-5th grade teachers, and \$2,000 for 6th-12th grade teachers.
- Funds are to be used for instructional materials and equipment.
- Applicants must be full-time classroom teachers assigned to teach science, mathematics, or STEM courses/subjects in a PK-12 public education program.
- Public charter schools and laboratory schools teachers are eligible*.

WORKSHOP DATES

From 6:30-8:00pm:

- WEDNESDAY -
JULY 17
- WEDNESDAY -
AUGUST 14

OVERVIEW

- The Quality Science and Mathematics (QSM) Grant Program awards grants up to \$2,000 to Louisiana PK-12 public school teachers for purchasing non-consumable materials and equipment for standards-based, effective, innovative, and high-quality mathematics, science and STEM course instruction.
- Qualifying applicants demonstrate how grant materials would enhance the quality of instruction for traditional students enrolled in mathematics, science or STEM classes during the normal school day. *After-school, Talented & Gifted, and Special Education (SPED) programs are **NOT** eligible.
